## MISSION

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

## VISION

The Boy Scouts of America will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law.

## SCOUTING PREPARES YOUR SON FOR LIFE

**Prepared. For Adventure** – It's a big world. Pack a map. Scouting is many boys' introduction to the great outdoors and, most importantly, a lesson on their place in it. Now, let the adventure of a lifetime begin.

**Prepared. For Leadership** – Scouting builds leaders. Former Scouts sit on the boards of global corporations, walk the halls of Congress and the White House, and have been known to occasionally go hiking on the moon. The life lessons they learn in Scouting help them make good decisions throughout life.

**Prepared. For Learning** – Many Scouts achieve more before the age of 18 than many people do in a lifetime. Best of all, they do it to not only improve themselves, but also their communities and country.

**Prepared. For Service** – There are many paths to follow in life. With the invaluable guidance of adult leaders, Scouts are better prepared to enjoy their lifelong journey that leads them to personal success.
