NEW TO SCOUTING

Welcome! Bienvenidos to the Boy Scouts of America, Alamo Area Council (BSA). You are now part of a unified Scouting family. Scouting starts at the local Unit level which is a part of a District. Districts are part of an even bigger entity known as a Council. The Alamo Area Council, one of 280 Councils across the BSA, covers Bexar and the twelve surrounding counties making up 12 Districts: Armadillo, Cimarron, Diamondback, Galaxy, Longhorn, Memorial, Mustang, Rough Rider, Summit, Texas Hills, Two Rivers, and Victory.

Scouting is provided locally in neighborhoods across the country through Community Charter Partners (CCP) such as churches, community organizations, or other groups of interested citizens. Professional Scouters called “Scout Service Executives” work with our CCPs and Scouting Volunteer Leadership to help deliver the program to our youth.

Prepared. For Life.

IT’S MORE THAN OUR THEME, it’s a promise and a way of life. Being prepared means having the ability to deal with the many tough challenges life presents—that’s what Scouting is all about. Through its time-tested program, Scouting provides young people with opportunities to mentor to their peers, build character, and enrich their faith. These activities build stronger family bonds and help youth reach their full potential by instilling values that last a lifetime. One of the strengths of the Scouting program is the unique relationship between religious and community organizations, parents, and leaders. Working together, we are able to focus the necessary resources and leadership on the single task of serving youth. The result is children, families, and communities that are stronger and better prepared for the future.

CUB SCOUTS - Ages 7-10
Cub Scouting is a year-round program uniquely designed to meet the needs of young boys and their parents. The program offers fun and challenging activities that promote character, development, and physical fitness. Service projects, ceremonies, games, and other activities guide boys through the core values and give them a sense of personal achievement. Through positive peer group interaction and parental guidance, boys also learn honesty, bravery, and respect. Family involvement is an essential part of Cub Scouting and parents are encouraged to play an active role in the program. Through interaction between parents, leaders, and friends, boys learn citizenship, compassion, and courage. This family and community-centered approach to learning means that Cub Scouting is truly time well spent.

BOY SCOUTS - Ages 11-17
Most people associate Boy Scouting with outdoor adventure and with good reason. Scouting is an outdoor program designed to develop character, citizenship, and fitness. With the Scout Oath and Law as a guide, Scouting helps a boy develop into a well-rounded young man. Through the advancement program, a Scout can progress in rank by earning achievements and gaining additional knowledge and responsibilities. Earning merit badges provides opportunities for Scouts to be introduced to a lifelong hobby or a rewarding career. In Boy Scouting, youth take responsibility for the activities of the troop. By planning and organizing activities, they develop teamwork and learn to lead as well as follow. Through the support of parents and religious and neighborhood organizations, Scouts develop an awareness and appreciation of their role in their community.

SEA SCOUTING - Ages 14-20 (or 13 and completed eighth grade) Sea Scouts is a specialized segment of the Venturing Program, which was organized to address members’ boating skills and promote knowledge of our maritime heritage. Sea Scout units, called “ships,” focus on sailing and cruising either sailboats or power vessels.

VENTURING - Ages 14-20 (or 13 and completed eighth grade) Venturing is a program for young men and women. Venturing is one of the fastest growing programs in the Boy Scouts of America. The purpose of Venturing is to provide experiences to help young people mature and become responsible and caring adults. Young people in Venturing learn leadership skills and participate in challenging outdoor activities. Venturing offers resources that help a community organization provide wholesome, flexible, well-rounded, challenging activities, tailor-made for teenage youth. Those resources include access to Boy Scout camping properties, a recognition program, youth protection training, and specific program helps for a variety of outdoor disciplines.

EXPLORING Ages 14-20 (or 13 and completed eighth grade) Exploring is a program for young men and women. Exploring units, called “posts,” focus on a single career field, such as law enforcement, fire/rescue, medical, business, science, or arts. They are sponsored by a local government or business entity. Young adults involved in Exploring will gain practical knowledge of and experience in a career, and engage in a program of activities centered on career opportunities, life skills, citizenship, and character development. Leadership experience encourages the development of the whole person. Explorers have a chance to learn and grow in a supportive, caring, and fun environment.

ORDER OF THE ARROW
As Scouting’s National Honor Society, the purpose is to recognize those who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults result in quality leadership development and programming that enrich and help to extend Scouting to America’s youth and beyond.
Hello fellow Scouters!

I recently attended a United Way of San Antonio and Bexar County meeting where there were other nonprofit organizations present. The topic of discussion was our future: specifically, OUR CHILDREN. The Chairman of the Board for United Way, Harvey Najim, asked us the following questions: What are we going to do to fight youth obesity? What are we going to do to fight diabetes in our youth? What are we going to do to stop abuse of our youth? What are we going to do to make a difference?

In listening to the discussion that ensued, I kept thinking about the fact that the Boy Scouts of America has a lot to offer the youth of our communities. Our programs work to engage youth in constructive activities, teach positive values, and help them develop new interests. I am a firm believer in our programs and think the world would be a different place if every child was involved in them and other similar programs.

Our youth are special. Overcoming negative outcomes will continue to be a never-ending battle if we do not come together and take action. There are thousands of kids in San Antonio who are available to join Scouting and it’s our job to recruit them. The more children who are involved, the better—for them, for us, and for our country. Invite one of your child’s friends to the next meeting. Talk with his or her parent(s). Share your favorite Scouting story with your co-workers. We can’t be complacent.

The Alamo Area Council’s Volunteer Board of Directors and I challenge each and every one of you to go out this year and double the size of your Pack, Troop, Team, Crew, or Post—because every child deserves Scouting! Together we can guide our children to an optimistic and bright future!
The Boy Scouts of America, Alamo Area Council was incorporated on May 16, 1912. It was formed for the express purpose of providing Scouting programs for the young people of its territory.

About the Alamo Area Council:
The Alamo Area Council, BSA, headquartered in San Antonio, Texas, serves a 13 county area imparting the Scouting program to over 17,500 youth and 5,895 volunteer adults in South Texas. With Learning for Life, an in-school character education BSA subsidiary, the Council serves over 25,876 youth. The Boy Scouts of America continue to prepare young people for life by providing the nation’s foremost youth program of character development and values-based leadership training utilizing outdoor activity, citizenship, and sports fitness.

The counties served by the Alamo Area BSA include Bexar, Atascosa, Bandera, Comal, Frio, Guadalupe, Karnes, Kendall, Kerr, La Salle, McMullen, Medina, and Wilson.

The Alamo Area Council’s territory includes all of the communities from Kerrville and New Braunfels in the north, to Poteet and Floresville in the south, to Seguin on the East, and Hondo on the west.

The Council operates 3 camp properties for the use of local Scouting programs:
- McGimsey Scout Park (MSP)
- Bear Creek Scout Reservation (BCSR)
- Mays Family Scout Ranch (MFSR)

The Council operates 2 service centers with Scout Shops:
- Council Service Center - located in Castle Hills at the corner of NW Military Hwy and Lockhill-Selma.
- Scoutreach Service Center - located on San Antonio’s Southside on South Zarzamora.

Each year, about 365 young men in the Council achieve Scouting’s highest rank, Eagle Scout. In order to achieve this prestigious award, the Scout must earn 21 merit badges, develop and lead a service project to better his community, and demonstrate leadership within his troop.

In 2016, the Council served 22,331 traditional and career Scouting members in 639 local units, including Cub Scout Packs, Boy Scout Troops, Varsity Teams, Venture Crews, Sea Scout Ships, and Explorer Posts.

The Council is governed by a volunteer Executive Board made up of many of the leaders of our local communities. The program is guided by a staff of 29 full-time professional Scouters and supported by 13 dedicated full and part-time support staff members.

Annually, the Council operates on a budget of about $5.1 million, which is funded through contributions from Scout families, community supporters, camping and activity fees, popcorn and camp card sales, special events, and investment income.

ALAMO AREA COUNCIL TERRITORY:

Armadillo, Cimarron, Diamondback, Longhorn, Memorial, Rough Rider, Summit, Texas Hills, Two Rivers, and Victory.
SCOUTREACH

Scoutreach strives to bring Scouting’s values-based programs to youth who otherwise might not be served, thus representing the Council’s strong commitment to serve the community’s minority populations with traditional Scouting programs by emphasizing values, leadership, and character building.

The Alamo Area Council is firmly committed to the vision that no youth will be denied the benefit of a Scouting experience due to a lack of money or volunteer adult leadership. Our goal is to serve an increasing number of at-risk youth and families from our diverse local communities and to develop strong programs for these youth. Currently, the Council’s Scoutreach program serves over 4,700 youth in about 60 non-traditional units.

Scoutreach youth expand their learning with modified lessons from the handbooks that often complement the educational and physical activity requirements in their school districts. Each meeting involves a brief flag ceremony and word of the day, which is one of the twelve core values of Cub Scouting. The Scouts are then guided through a learning activity that helps them to complete their requirements for their rank badge. Each meeting ends with a fun physical activity that helps meet their physical education requirements.

PROJECT AGUILA

Project Aguila, named for the Boy Scouts highest rank, Eagle Scout, was kicked off in August of 2011 as a local Alamo Area Council Board initiative to create long-standing units in areas where the Council has identified the need for a program that prepares boys for life.

The focus is to provide Cub Scouting to boys in the first through the fifth grade or ages 7 to 10. The Council provides financial aid for staff, uniforms, camp dues, supplies and recognition for scouts and adults for three years.

The goal of Project Aguila is to continue to see healthy increases of parent involvement while managing the expectation for these Cub Scout Packs to become financially self-sufficient. Parents who volunteer in the program become trained role models displaying traits of ethical and moral character as they lead and participate in activities with youth and other adults.

Currently, Project Aguila is offered in some schools in the Harlandale I.S.D., Southwest I.S.D., Northside I.S.D., & Edgewood I.S.D. There are 9 units, 145 youth and 49 adult volunteers in the program to date.

Since 1957, Bear Creek Scout Reservation has been a summer home to thousands of Scouts. Providing unforgettable camping memories, Bear Creek has afforded many boys their first opportunity to experience self-reliance in a beautiful natural setting in the Texas Hill Country.

Bear Creek Summer Camp offers two summer camp programs, the Ranger Program for first year campers and the Older Scout Program for experienced campers.

There are over 42 merit badges ranging from aquatics, ecology, field sports, handicrafts, and Scout skills for advancing Scouts to choose from.

The Older Scout Program offers challenging programs for older Scouts, which include COPE, mountain biking, rock climbing, Lifeguard BSA, waterslide, and canoeing along the Guadalupe River.

Leaders will also have the opportunity to get certified in Red Cross First Aid/CPR and Wilderness First Aid.

The BMX track and 1400-foot tandem zip line were added for Boy Scout Summer Camp in 2015. Log rolling and Range upgrades were added in 2016.

2017 will feature cowboy action and a 100 foot long water slide. Dedicated, motivated and experienced staff members are the key to providing the kind of program you deserve. Our goal is to make your visit an educational and memorable experience your troop will never forget.

DISTRICT COMMITTEE

Membership – Strives for growth by creating new Scouting Units and recruiting youth to join existing Units.
Finance – Supports District’s share of funds to the Council operating budget.
Program – Supports Scouting Units with camp promotion, community service, training, youth advancement, recognition, and special activities.

Unit Service – District Commissioner staff provides direct coaching by District volunteers for Unit leaders to help ensure the success of every Scouting Unit.

Meeting monthly, the District Committee’s purpose is to build momentum, provide group continuity, ensure good coordination, and to make specific assignments to committee members. Contact your District’s Scout Service Executive to serve on your District Committee, or
