NEW TO SCOUTING

Welcome! Bienvenidos to the Boy Scouts of America, Alamo Area Council (BSA). You are now part of a unified Scouting family. Scouting starts at the local Unit level which is a part of a District. Districts are part of an even bigger entity known as a Council. The Alamo Area Council, one of 280 Councils across the BSA, covers Bexar and the twelve surrounding counties making up 12 Districts: Armadillo, Cimarron, Diamondback, Galaxy, Longhorn, Memorial, Mustang, Rough Rider, Summit, Texas Hills, Two Rivers, and Victory.

Scouting is provided locally in neighborhoods across the country through Community Charter Partners (CCP) such as churches, community organizations, or other groups of interested citizens. Professional Scouters called “Scout Service Executives” work with our CCPs and Scouting Volunteer Leadership to help deliver the program to our youth.

IT’S MORE THAN OUR THEME, it’s a promise and a way of life. Being prepared means having the ability to deal with the many tough challenges life presents—that’s what Scouting is all about. Through its time-tested program, Scouting provides young people with opportunities to mentor to their peers, build character, and enrich their faith. These activities build stronger family bonds and help youth reach their full potential by instilling values that last a lifetime. One of the strengths of the Scouting program is the unique relationship between religious and community organizations, parents, and leaders. Working together, we are able to focus the necessary resources and leadership on the single task of serving youth. The result is children, families, and communities that are stronger and better prepared for the future.

CUB SCOUTS - Ages 7-10
Cub Scouting is a year-round program uniquely designed to meet the needs of young boys and their parents. The program offers fun and challenging activities that promote character, development, and physical fitness. Service projects, ceremonies, games, and other activities guide boys through the core values and give them a sense of personal achievement. Through positive peer group interaction and parental guidance, boys also learn honesty, bravery, and respect. Family involvement is an essential part of Cub Scouting and parents are encouraged to play an active role in the program. Through interaction between parents, leaders, and friends, boys learn citizenship, compassion, and courage. This family and community-centered approach to learning means that Cub Scouting is truly time well spent.

BOY SCOUTS - Ages 11-17
Most people associate Boy Scouting with outdoor adventure and with good reason. Scouting is an outdoor program designed to develop character, citizenship, and fitness. With the Scout Oath and Law as a guide, Scouting helps a boy develop into a well-rounded young man. Through the advancement program, a Scout can progress in rank by earning achievements and gaining additional knowledge and responsibilities. Earning merit badges provides opportunities for Scouts to be introduced to a lifelong hobby or a rewarding career. In Boy Scouting, youth take responsibility for the activities of the troop. By planning and organizing activities, they develop teamwork and learn to lead as well as follow. Through the support of parents and religious and neighborhood organizations, Scouts develop an awareness and appreciation of their role in their community.

SEA SCOUTING - Ages 14-20 (or 13 and completed eighth grade) Sea Scouts is a specialized segment of the Venturing Program, which was organized to address members’ boating skills and promote knowledge of our maritime heritage. Sea Scout units, called “ships,” focus on sailing and cruising either sailboats or power vessels.

VENTURING - Ages 14-20 (or 13 and completed eighth grade) Venturing is a program for young men and women. Venturing is one of the fastest growing programs in the Boy Scouts of America. The purpose of Venturing is to provide experiences to help young people mature and become responsible and caring adults. Young people in Venturing learn leadership skills and participate in challenging outdoor activities. Venturing offers resources that help a community organization provide wholesome, flexible, well-rounded, challenging activities, tailor-made for teenage youth. Those resources include access to Boy Scout camping properties, a recognition program, youth protection training, and specific program helps for a variety of outdoor disciplines.

EXPLORING Ages 14-20 (or 13 and completed eighth grade) Exploring is a program for young men and women. Exploring units, called “posts,” focus on a single career field, such as law enforcement, fire/rescue, medical, business, science, or arts. They are sponsored by a local government or business entity. Young adults involved in Exploring will gain practical knowledge of and experience in a career, and engage in a program of activities centered on career opportunities, life skills, citizenship, and character development. Leadership experience encourages the development of the whole person. Explorers have a chance to learn and grow in a supportive, caring, and fun environment.

ORDER OF THE ARROW
As Scouting’s National Honor Society, the purpose is to recognize those who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults result in quality leadership development and programming that enrich and help to extend Scouting to America’s youth and beyond.
Sir Robert Baden-Powell, founder of Scouting, once said, “A week of camp life is worth six months of theoretical teaching in the meeting room.”

The Boy Scouts of America, Alamo Area Council (BSA) is pleased to provide this Adventure Guide to help plan your Pack, Troop, Team, Crew, and Post’s Outdoor Adventures during the coming school year. I’d also like to share some important reminders and new information:

First, we need to encourage each other to get trained today! Our youth, male and female alike, need to experience 100% of Scouting. What makes this possible is having all registered adults in the BSA receive training for the position they hold within their respective unit. Your training can even be fun! Visit my.Scouting.org today!

Second, the Alamo Area Council has been chosen as one of only 24 Councils piloting the new online membership registration system to more efficiently signup new youth and adult leaders. Visit www.AlamoAreaBSA.org/onlineregistration

Finally, we are excited that over 2500 of our Scouting members are using www.Scoutbook.com! This advancement tracking mobile web app in the cloud helps capture Scouting experiences from Tiger to Eagle.

In addition to our standard communication platforms such as the Adventure Guide, social media sites, monthly e-newsletters, and Council website, the Alamo Area Council will begin utilizing Scoutbook’s Council Messaging Feature. This allows us to reach all of our membership (volunteers and Scouts) securely with Youth Protection Training features built in!

As our youth are continuously challenged by the world around them, let us stand together as a positive force to point them in the right direction so they can experience all the opportunities that this world offers. Let’s also remember to never take the OUTING out of Scouting!

Why does the Boy Scouts of America continue to exist after 106 years? Because we are a family. We are a life-changing movement. We are a way of life.
The Boy Scouts of America, Alamo Area Council was incorporated on May 16, 1912. It was formed for the express purpose of providing Scouting programs for the young people of its territory.

About the Alamo Area Council:
The Alamo Area Council, BSA, headquartered in San Antonio, Texas, serves a 13 county area imparting the Scouting program to over 18,000 youth and 6,500 volunteer adults in South Texas. With Learning for Life, an in-school character education BSA subsidiary, the Council serves over 25,876 youth. The Boy Scouts of America continue to prepare young people for life by providing the nation’s foremost youth program of character development and values-based leadership training utilizing outdoor activity, citizenship, and sports fitness.

The counties served by the Alamo Area BSA include Bexar, Atascosa, Bandera, Comal, Frio, Guadalupe, Karnes, Kendall, Kerr, La Salle, McMullen, Medina, and Wilson.

The Alamo Area Council’s territory includes all of the communities from Kerrville and New Braunfels in the north, to Poteet and Floresville in the south, to Seguin on the East, and Hondo on the west.

The Council operates 3 camp properties for the use of local Scouting programs:
- McGimsey Scout Park (MSP)
- Bear Creek Scout Reservation (BCSR)
- Mays Family Scout Ranch (MFSR)

The Council operates 2 service centers with Scout Shops:
- Council Service Center - located in Castle Hills at the corner of NW Military Hwy and Lockhill-Selma.
- Scoutreach Service Center - located on San Antonio’s Southside on South Zarzamora.

Each year, about 365 young men in the Council achieve Scouting’s highest rank, Eagle Scout. In order to achieve this prestigious award, the Scout must earn 21 merit badges, develop and lead a service project to better his community, and demonstrate leadership within his troop.

In 2015, the Council served 18,130 traditional and career Scouting members in 679 local units, including Cub Scout Packs, Boy Scout Troops, Varsity Teams, Venture Crews, Sea Scout Ships, and Explorer Posts.

The Council is governed by a volunteer Executive Board made up of many of the leaders of our local communities. The program is guided by a staff of 29 full-time professional Scouters and supported by 13 dedicated full and part-time support staff members.

Annually, the Council operates on a budget of about $4.4 million, which is funded through contributions from Scout families, community supporters, camping and activity fees, popcorn and camp card sales, special events, and investment income.

ALAMO AREA COUNCIL TERRITORY:
Armadillo, Cimarron, Diamondback, Longhorn, Memorial, Rough Rider, Summit, Texas Hills, Two Rivers, and Victory.
SCOUTREACH

Scoutreach strives to bring Scouting’s values-based programs to youth who otherwise might not be served, thus representing the Council’s strong commitment to serve the community’s minority populations with traditional Scouting programs by emphasizing values, leadership, and character building.

The Alamo Area Council is firmly committed to the vision that no youth will be denied the benefit of a Scouting experience due to a lack of money or volunteer adult leadership. Our goal is to serve an increasing number of at-risk youth and families from our diverse local communities and to develop strong programs for these youth. Currently, the Council’s Scoutreach program serves over 4,500 youth in about 65 non-traditional units.

Scoutreach youth expand their learning with modified lessons from the handbooks that often complement the educational and physical activity requirements in their school districts. Each meeting involves a brief flag ceremony and word of the day, which is one of the twelve core values of Cub Scouting. The Scouts are then guided through a learning activity that helps them to complete their requirements for their rank badge. Each meeting ends with a fun physical activity that helps meet their physical education requirements.

PROJECT AGUILA

Project Aguila, named for the Boy Scouts highest rank, Eagle Scout, was kicked off in August of 2011 as a local Alamo Area Council Board initiative to create long-standing units in areas where the Council has identified the need for a program that prepares boys for life.

The focus is to provide Cub Scouting to boys in the first through the fifth grade or ages 7 to 10. The Council provides financial aid for staff, uniforms, camp dues, supplies and recognition for scouts and adults for three years.

The goal of Project Aguila is to continue to see healthy increases of parent involvement while managing the expectation for these Cub Scout Packs to become financially self-sufficient. Parents who volunteer in the program become trained role models displaying traits of ethical and moral character as they lead and participate in activities with youth and other adults.

Currently, Project Aguila is offered in some schools in the Harlandale I.S.D., Southwest I.S.D., Northside I.S.D., & Edgewood I.S.D. There are 12 units, 259 youth and 54 adult volunteers in the program to date.

TWO TINY WOODEN BEADS

Two tiny wooden beads on a leather thong. It doesn't sound like an outstanding badge and mark of distinction but it is known and respected as such around the globe. It is symbolic of the efforts and interest of one man who launched the greatest movement for boys the world has ever known.

It is the mark of people who have demonstrated that they are people of character and who are devoted to a cause. People who strive for perfection well knowing that even the best is not enough. People that hold the welfare of others before self: Scouters who live up to all that name implies. Awarded to a Scouter on the basis of what he or she thinks and is more than on what he or she knows. They must demonstrate that they have 'know-how' too. Good intentions count for little until, by the application of ability and determination, they produce results that count. Striving for perfection in themselves that they might train others better.

To this end exists the Wood Badge. It is doubtful that the thought ever entered the mind of Robert Baden-Powell, that his efforts on Brownsea Island would grow to influence the youth of the world and that, in the days ahead, thousands upon thousands of people would carry his efforts forward to an ever increasing number of boys.

Who knows but that this effort, this crusade, may flourish to the end that two tiny beads on a leather thong may yet become the symbol of a succeeding effort to bring about a world brotherhood of man under a Fatherhood of God. To that end may the Wood Badge serve and her men and women never falter or fail.

Two tiny wooden beads on a leather thong. They could symbolize the hope of the world – It’s Your Move.

BOY SCOUTING’S HIGHEST RANK

The fact that a young man is an Eagle Scout has always carried special significance, not only in Scouting, but also as he enters higher education, business or industry, and military and community service. In 2015, 351 Boys Scouts in the Alamo Area Council achieved Scouting’s highest rank of Eagle Scout, contributing 60,560 service hours with a value equaling $1,397,119.20 (million) invested into our local economy and community.*

The award is a performance-based achievement with standards well-maintained over the years. Not every boy who joins a Boy Scout Troop earns the Eagle Scout rank; only about 2.5 percent of all Boy Scouts do so. This represents more than two million Boy Scouts who have earned the rank since 1912.

The National Eagle Scout Association provides information for those who have earned the rank of Eagle and want to remain connected to Scouting. Visit their website at www.NESA.org.

For more information and to find answers about the process and steps to achieve the rank of Eagle, visit our website at www.AlamoAreaBSA.org/EagleScouts or email EagleScouts@AlamoAreaBSA.org. Candidates needing to schedule Eagle project proposals and Final Eagle Scout Boards of Review should visit their District’s Webpage or contact their District Executive.

* Estimate only based on value of volunteer time in State of Texas set at $23.07 per hour as reported in “Independent Sectors Value of Volunteer time” (2015) www.independentsector.org/volunteer_time.

- **Unit Service** – District Commissioner staff provides direct coaching by District volunteers for Unit leaders to help ensure the success of every Scouting Unit.

Meeting monthly, the District Committee’s purpose is to build momentum, provide group continuity, ensure good coordination, and to make specific assignments to committee members. Contact your District’s Scout Service Executive to serve on your District Committee, or
