

As we continue to monitor the ever-evolving situation pertaining to the COVID-19 pandemic, we want to update you on how the current events will impact Summer Camp at Bear Creek Scout Reservation this summer.

Know that the safety of our Scouts and Scouters is our top priority and that we will continue to update you as information becomes available. We are working with our Risk Management Committee and a Medical Advisory Committee (MAC), reviewing guidance from the BSA national organization along with State and Local officials to offer as many opportunities for adventure as possible in the safest environment possible.

After careful consideration, the difficult decision has been made to cancel Scouts BSA Summer Camp at Bear Creek Scout Reservation through Session 3. We are still hoping to hold Session 4 and Session 5, and plan to revisit this possibility closer to the end of May.

We understand that this cancellation will affect numerous Scouting units who have registered for sessions in June and we are committed to contact every affected unit or crew personally to find the best possible solution. **Starting on Monday, May 11th, we will be calling the contact person for every affected unit.** If you already know what you would like to do, please email [BearCreek@AlamoAreaBSA.org](mailto: BearCreek@AlamoAreaBSA.org) and we will accept your email in place of calling you.

For information on what to do if your session has been cancelled, please see the information provided below. We are currently working to provide additional opportunities later in the summer season to accommodate all those who may be affected and hope to provide you with more information on those soon.

Options for my unit if my session was cancelled:

1. Roll your current deposit/registration into Session 4 (June 28-July 4) or Session 5 (July 5-11).
2. Roll your current deposit into 2021 and receive the Early Bird Rate.
3. Request a refund. We will fully refund your fees, including your deposit if you choose this option. The refund will come in the form of a check and will take approximately 4-6 weeks to process.

The Bear Creek Staff family thanks you for your continued understanding, support, cooperation and patience as we navigate these unprecedented events.

Stay safe.
