

## Boy Scouts of America National Honor Patrol Award

The very best patrols exhibit enthusiasm, teamwork, and camaraderie—that special spark known as patrol spirit.

The National Honor Patrol Award is given to patrols whose members make an extra effort to have the best patrol possible. Your patrol can earn the award by doing the following over a period of three months.

Your patrol may earn multiple award patches by meeting the requirements in additional three-month time periods.

1. Have a patrol name, flag, and yell. Put the patrol design on equipment and use the patrol yell. Keep patrol records up-to-date.
