Earn Your National Summertime Pack Award

This is an individual recognition for Scouts.

The pack can qualify for the certificate and streamer by planning and conducting three pack activities—one each in June, July, and August.

Dens with an average attendance of at least half their members at the three summer pack events are eligible for a colorful den participation ribbon.

Scouts who participate in all three pack events are eligible to receive the National Summertime Pack Award pin, which they can wear on the right pocket flap of their uniform.
